Only One Of Incumbents Is Re-Elected

St. Charles voters returned only one opposed incumbent candidate to the city council in city elections yesterday and as a result there will be four new faces on the council when it convenes on April 19.

Light voting marked all the elections as a total of 2419 voters out of 11,533 registered voters in the city exercised their privilege. In the voting, two incumbents were defeated in their bid for re-election.

William Baggerman beat Second Ward Incumbent Councilman Irva Richardson by the surprising plurality of 373 to 203. In the Fifth Ward, incumbent Bill McClintock drew only 88 votes as George Sturmon piled up 231 votes to win the race. Wayne Pallardy finished with 34 votes.

In the wide open race for the one year unexpired term in the First Ward, the Reverend Robert W. Magee garnered 290 votes to win in the crowded field of seven candidates.

The tax rate needed only a simple majority which it just did receive.

The 20-cent increase was sought for the Teachers Fund which will provide an additional 21 teachers who will be needed in the school district next year. Continued larger enrollments in the district are almost a certainty.

Two incumbent school board members, seeking re-election, Delmar C. Emge and William D. Hancock received 937 and 925 votes respectively as they were unopposed in the balloting.

R-3 District

The R-3 School District, Weldon Spring, passed a 50-cent school tax levy increase, bringing the district's overall rate to \$3.80, second highest in the county.

Official returns showed that there were 354 voters in favor of the tax hike, compared to only 144 against.

Ten cents of this increase is earmarked to retire bonds and to pay interest on bonds.

The remaining 40 cents will be used for expansion of facilities in the district to handle increased enrollments in the schools in the next school year.

Incumbent school board members Norman Engelage and Clyde Mouser were re-elected for an-
